Photo Studio Policy and Guide

This guide includes instructions for using the Photo Studio.

Equipment Available

Arri 150 and Arri 300 Photography Lamps with adjustable stands and barndoor shutters.

Hewlett Packard Roll Feed Scanner

Students are only allowed to use the Photo Studio by reservation or appointment.

Only 2 students are allowed in the Photo Studio at a time.

Light bulb f m with the power on. Turn the power off, allow them to cool down for several minutes, then very gently and cautiously reposition them.

Make sure the power cables are routed in such a way they are not a trip hazard as you are photographing.
